

THE MODERN BISTRO

**NEW BRAND
BUT SAME
GREAT FOOD
GREAT DRINKS
GREAT BACKYARD**

Dear customer,

We have grown and evolved over the last 6 years as Gourmet Kitchen and we're very excited to announce the new brand of our restaurant. Now we are **Saravá - The Modern Bistro**.

You can expect the same great service and the same delicious cuisine from us. You will now find us at the new domain - saravabistro.com.

Our new name reflects who we are, what we believe and it symbolizes our future.

Saravá is an Afro-Brazilian word which is used to greet, **"you are welcome", "good to see you"**. When used to say goodbye, it means **"be safe", "take care"**. In any other context, **"good luck", "bless you"**, or you can simply say it out loud just to bring positive energy and ward off negativity.

Saravá is everything we want to bring to you - just good wishes, good vibes.

Saravá, my friend. We hope to see you soon.

RAFA AND LEO
